Intensified IEC Campaign 2025

On HIV Awareness & Drug De-addiction

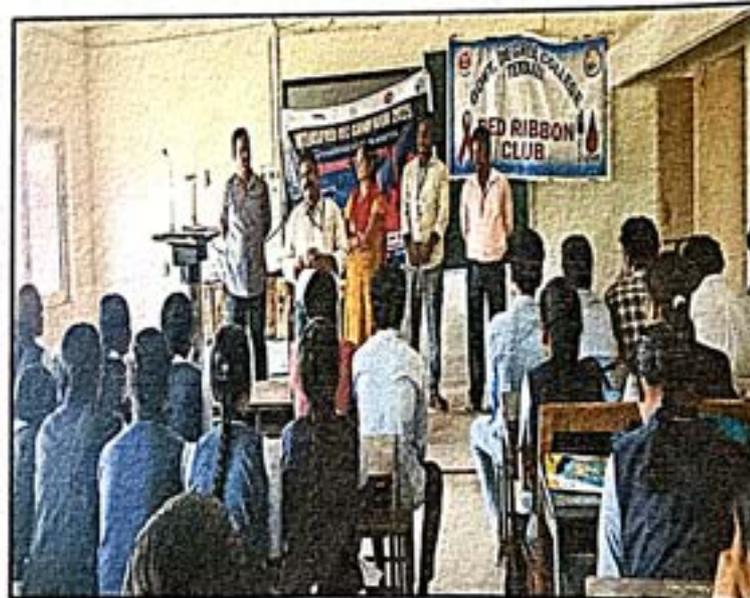

International Youth Day 2025

Organized by Red Ribbon Club

12/08/2025

Objective :- Due to this Program educate students About HIV Transmission ,Prevention , Symptoms, Testing and Treatment

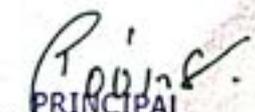

. Assist People in overcoming physical and psychological dependence on drugs

Delegates Participated : 09
Students Participated:- 40

Outcome:- • Increased knowledge and information-seeking behavior: HIV awareness programs have been shown to improve knowledge regarding HIV transmission, prevention methods, and the importance of testing.

- Reduced risky behaviors: Drug de-addiction treatment, especially medication-assisted therapies like methadone maintenance, significantly decreases risky injection drug use practices (e.g., needle sharing) and unsafe sexual behaviors, which are primary drivers of HIV transmission.
