

A camp on HB count for girl students

27-1-2022

A camp on Hemoglobin Count in girl students conducted Hemoglobin blood camp for the girl students of Government degree College Tekkali on 27-1-2022. The medical officer and the staff tested the H-count of the girl students & gave suggestions to the weak students. The principal of our college, Dr. T. Govindamma, addressed the gathering. The Convener of women Empowerment Cell Smt. R. Deepa distributed sweets to the girl students after the check-up. The vice principal of our college, Dr. B. Sateesh Kumar, IQAC co-ordinator Sri. V. Luke Paul and the staff and members attended the programme.
