

Academic year (2017-2018)

08/09/2017

We the Department of physics conducted the department meeting on 08/09/2017 at 3pm in presence of principal and they provided the meeting resolved the below resolutions

Resolutions

1. The distribution of physics papers as follows

1. C H. Rambabu Paper - IV & VI.

2. M. Hemachalam Paper - I & III.

2. Discuss about the work load of the Department of physics as shown

	Theory	Practicals
Paper - I	4	8 hrs
Paper - II	4	8 hrs
Paper - <u>IV</u>	3	16 hrs
pay - <u>VI</u>	3	16 hrs
	14	48

Total - 52 hrs

3. It is resolved (a) CH. Rambabu, to teach Electricity & magnetism (paper-V) and modern physics (paper-VI).

4. It is resolved (a) M. Hemachalam, to teach Mechanics & properties of matter (paper-I) and Optics (paper-III).

workload T P

1. Sri. CH. Rambabu

paper - V 3 088

paper - VI 3 08

$$\frac{6 + 16}{\text{week}} = 22 \text{ per week.}$$

2. Sri M. Hemachalam

paper - I 4 8

paper - III 4 8

$$\frac{8 + 16}{\text{week}} = 24 \text{ / week}$$

Name of the lecturer

1. Dr. [Signature]

Academic Year (2018-19)

Meeting-2

Date: 09/10/2018

~~09/10/2018~~

We are the Department of Physics, conducting the meeting in presence of Principal about classwork for semester - II. Present in department, two lecturers are worked. Principal and eminent faculty resolved resolutions

→ Resolutions

1. The Distribution of physics papers in semester - II & semester - III & IV.

paper - II → ~~For~~ Wave & oscillations

paper - IV → Thermodynamics

cluster in physics

Elective → Renewable energy.

cluster → 1, 2, 3 papers.

2. workload for above papers.

	T	P
paper - II	4	8

paper - IV	4	8
------------	---	---

Elective	4	8
----------	---	---

cluster 1	3	4
-----------	---	---

cluster 2	3	4
-----------	---	---

cluster 3	3	4
-----------	---	---

Total	21	36 = 57 periods
-------	----	-----------------

3. It is resolved (re) C.H. Ramchakra, to teach the semester - II and his teach the Elective paper - Renewable Energy.
