

Dept. of Physics

2021 - 2022
x

We are the department of physics conducting the meeting in presence of principal about class work for Semester - VI, Semester - II and Semester - IV. present in department three lecturers are worked. principal and eminent faculty resolved following resolution.

2000 - 2000

① The distribution of physics papers as follows

1. CH. Rambabu — paper - VII - Renewable Energy

paper - VIII C-3 —
Energy storage devices

2. M. Hemachalam - paper - I.

→ Mechanics, waves & oscillations

→ paper - VII C-1 - Solar photo voltaic aspects

3. N. Ramana murthy

→ paper - IV - Thermodynamics

→ paper - VII C-2 - Wind, Hydro and ocean energies.

② Discuss about the work load of the dept. of physics as shown

	T	P
paper - <u>I</u>	8+2	8 12
paper - <u>IV</u>	8	12
paper - <u>VII</u>	8	12
paper - C-1	4	2
paper - C-2	4	2
paper - C-3	4	2
Total	38	42

Total work load per week - 80 hrs.

③ To discuss about Semester - II paper valuations & scheme of valuation under the guide lines from university.

1. Dr. _____

2. M. Hemachalam

3. Dr. _____

We, the Department of physics Conducted meeting on 27-11-2021 in physics Department. Department incharge presided the meeting and discussed about below resolutions.

- Entering the internal marks and semester end marks on CMR.
- Conduction of National Energy Conservation day Celebrations in our department. i.e date: 14/12/2021
- Conduction of Guest Lecture in the month January - 2022.
- Conduction of Nation Science Day Celebrations in our department.
- Conduction of "Hub of Science - Explore and Enrich knowledge Science Exhibition.

1. ~~Dr. _____~~

2. M. Hemacham
