

## GOVERNMENT DEGREE COLLEGE, TEKKALI

### IQAC

### ACTION TAKEN REPORT ON CURRICULUM 2023-24

Government Degree College, Tekkali places significant emphasis on understanding and meeting students' personal aspirations and parents' expectations regarding the quality of education and their children's overall development.

Feedback from Students, Teachers, Alumni and Parents plays a crucial role in achieving this objective, allowing the institute and faculty to evaluate the curriculum's effectiveness and administration, ensuring a holistic learning experience.

Feedback was collected online (Offline for parents) from all Stakeholders.

#### **Action Taken**

The College has planned and incorporated more skill-based certificate and value-added courses. Every department has planned Field visits and industry visits to enhance students' knowledge in their subject.
