

BEST PRACTICE

Title of the Best Practice: WORD OF THE DAY

INTRODUCTION:

‘Word of the Day’ is one of the best initiatives of the Department of English of Government Degree College, Tekkali.

The core value of enriching English Language lies with creative and innovative thoughts emerge from the teacher in the classroom. This could help the students learning strange and new words every day. Practicing a new word every day brings beauty and richness of the English Language through the best practice ‘WORD OF THE DAY’ in which students will get a wonderful opportunity to discover some of their hidden treasure of knowledge.

The meaning and synonym, phonetic transcription and usage of a word is written on the Departmental Notice Board every day.

OBJECTIVES:

- ❖ Makes students ready to learn the meaning of a new word every day.
- ❖ It helps in understanding Phonetic Transcription to the word easily.
- ❖ Students empower their Vocabulary.
- ❖ Enables the students to emulate usage of words in their communication.
- ❖ It enhances reading skills and helps them to cultivate creative thinking.

CONTEXT:

Poor Vocabulary among students has led the way for the initiation of this practice. In view of building Vocabulary to meet the expectations of the students to the global needs.

PRACTICE:

Every day we take a word of socio economic historical scientific and technological background and formal and informal context on the Notice Board. It will be selected for a particular reason, whether it has an interesting etymology, fascinating History or sometimes simply the quality of being novel in thought. It is expected that the reader will learn something new from each word of the day. It encourages the reader to explore a thought on the Word of the Day with an interesting etymology of the word.

EVIDENCE OF SUCCESS:

- Interest of acquiring Vocabulary leads the students to improve their writing skills.
- Students will be able to identify Phonetic Transcription including sounds of the words.
- Helps the students in pronouncing a word properly.
- Students find it easy to learn a new word with a structural approach.
