

# FIELD TRIP VISIT FISH AND SHRIMP HATCHERY

Dt: 07-02-2020

The Department of Zoology along with III BZC students visited fish and shrimp hatchery at Bheemili road, Visakhapatnam on 07-02-2020. Sri. B Raju, Asst. prof. in Zoology, HOD of Zoology and Dr. K Ramarao, Asst. prof. in Zoology and Smt. Jayalakshmi, Asst prof. in History are involved in this programme.

The students saw the various types of hatcheries and knew hatchery mangement. The students asked the questions about hatchery. The hatchery management person gave suitable answers against students asking questions. We visited also Zoology museum at Dept. of Zoology, Andhra University and Fish harbor. The students gained knowledge on various fish and shrimp hatcheries and hatchery management. 36 students were involved in this programme and share their active participation in this programme.
